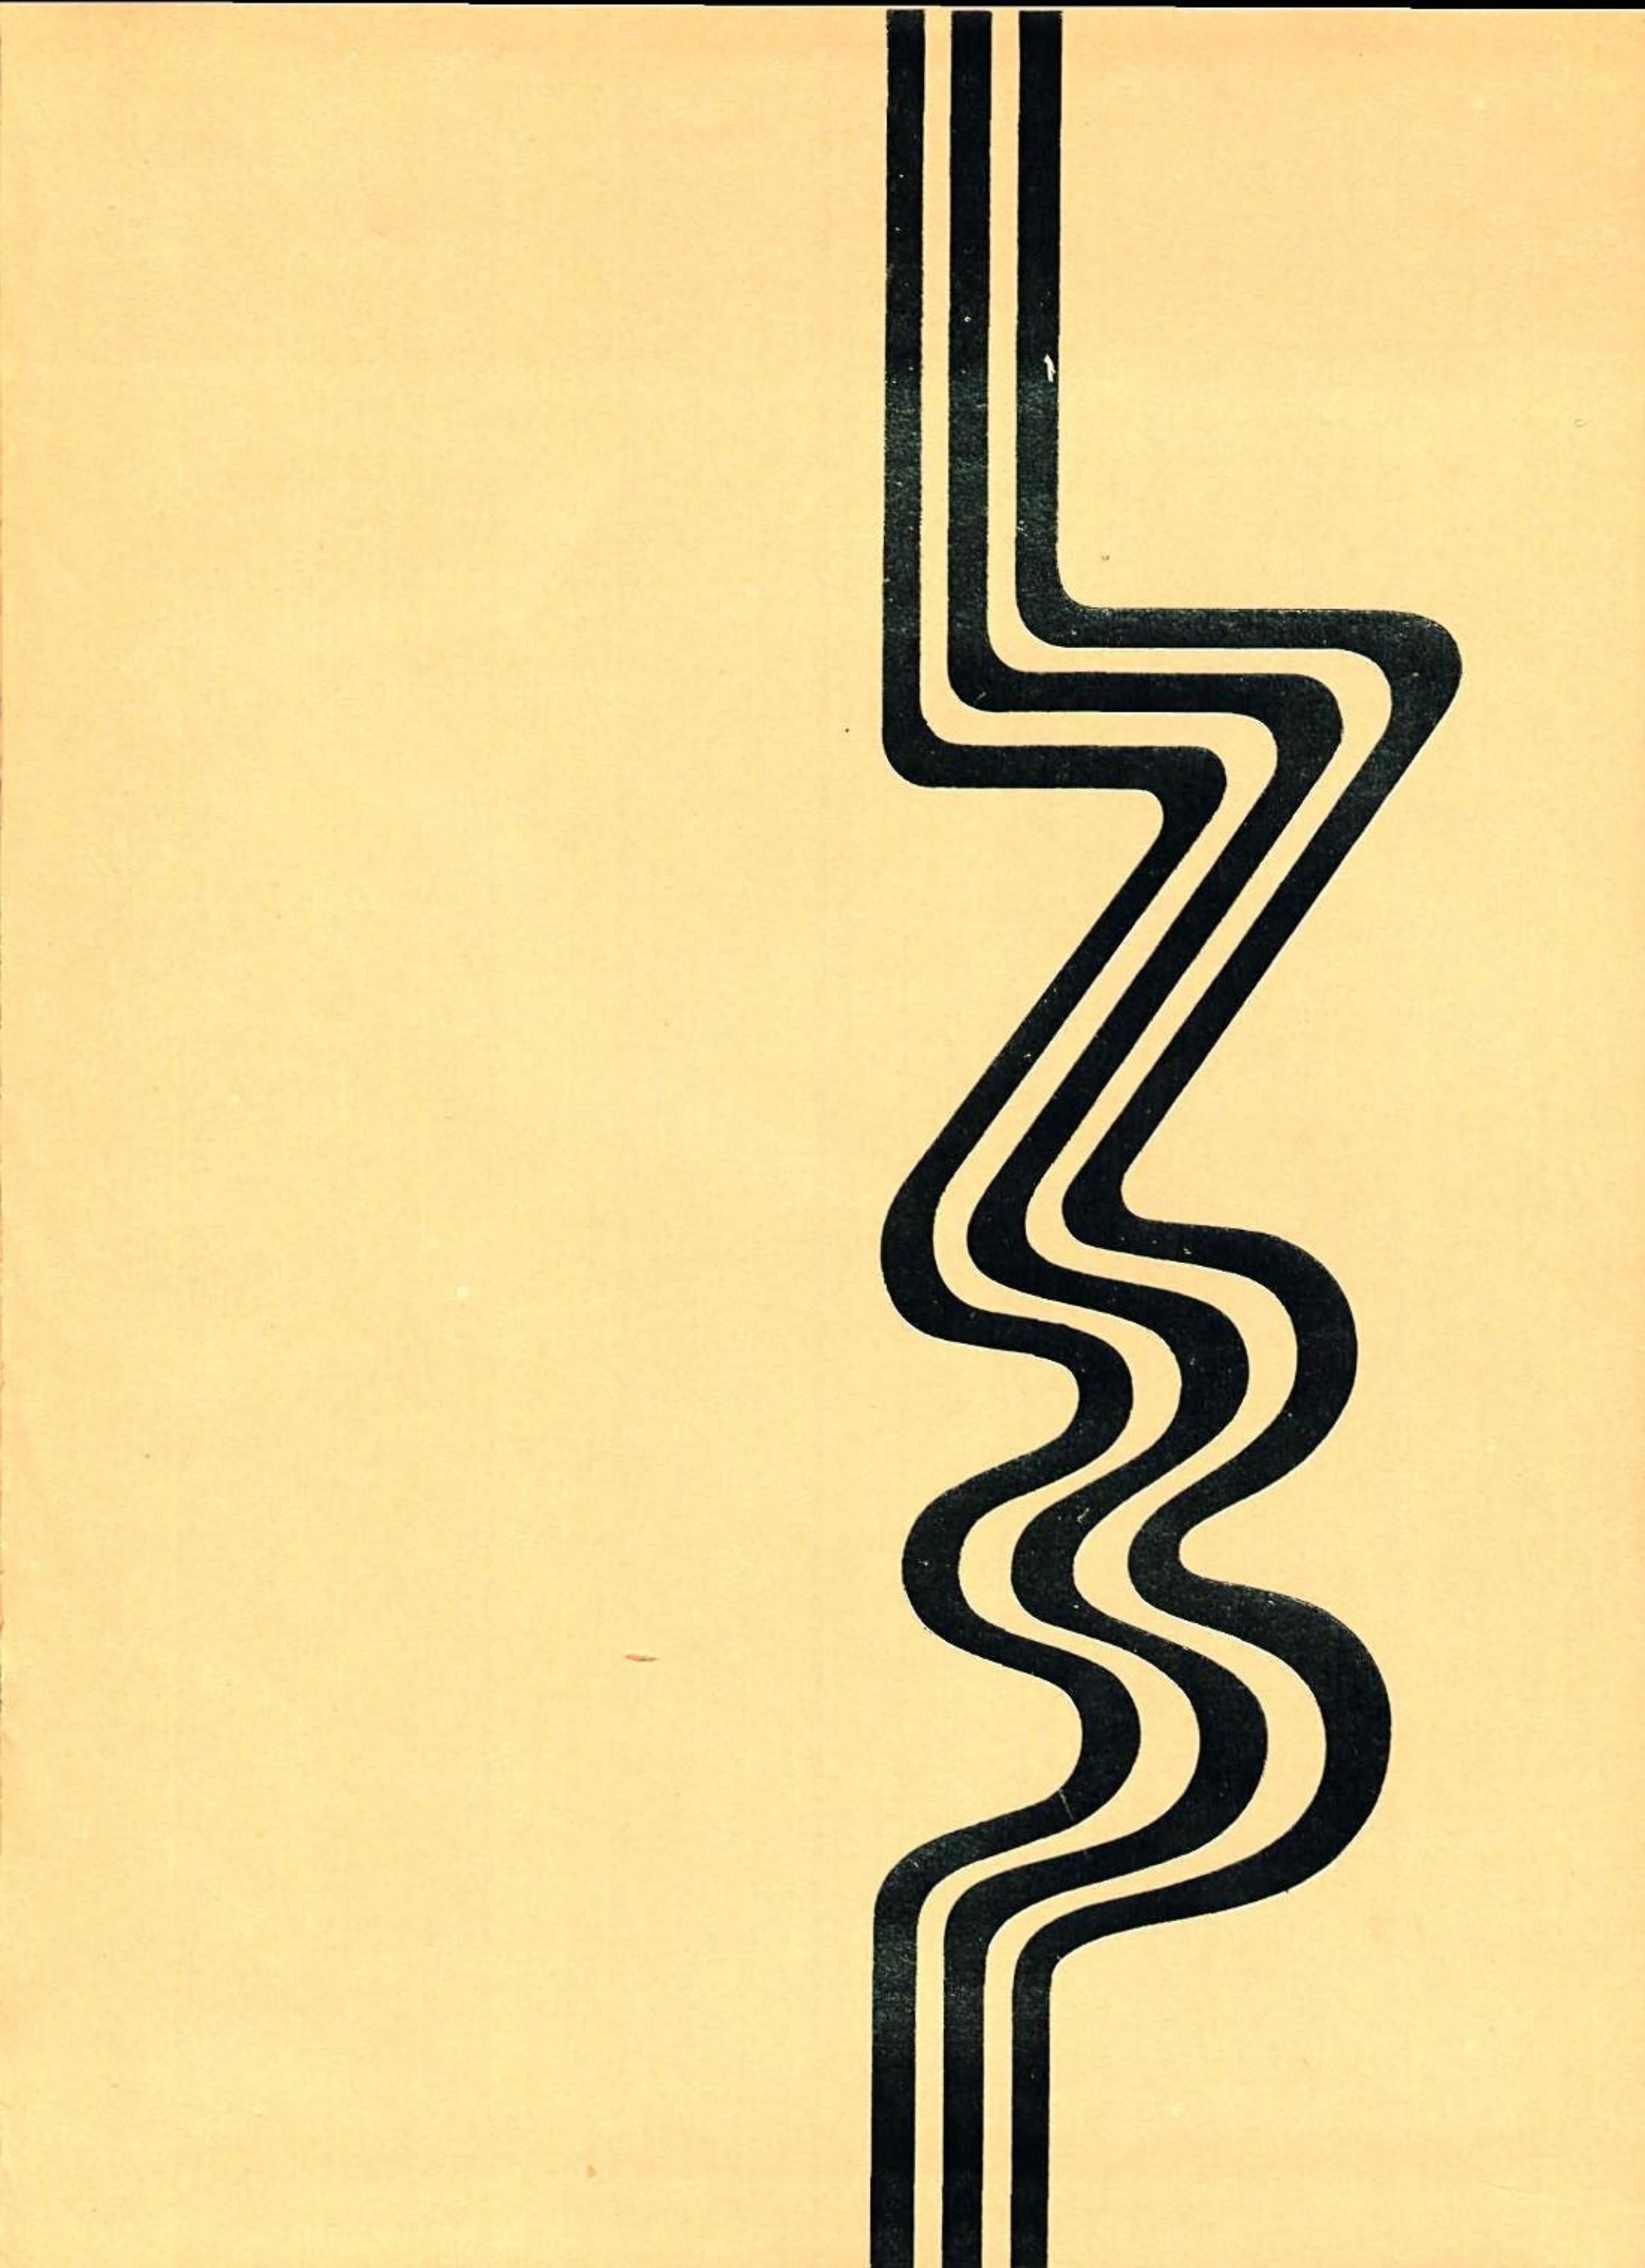
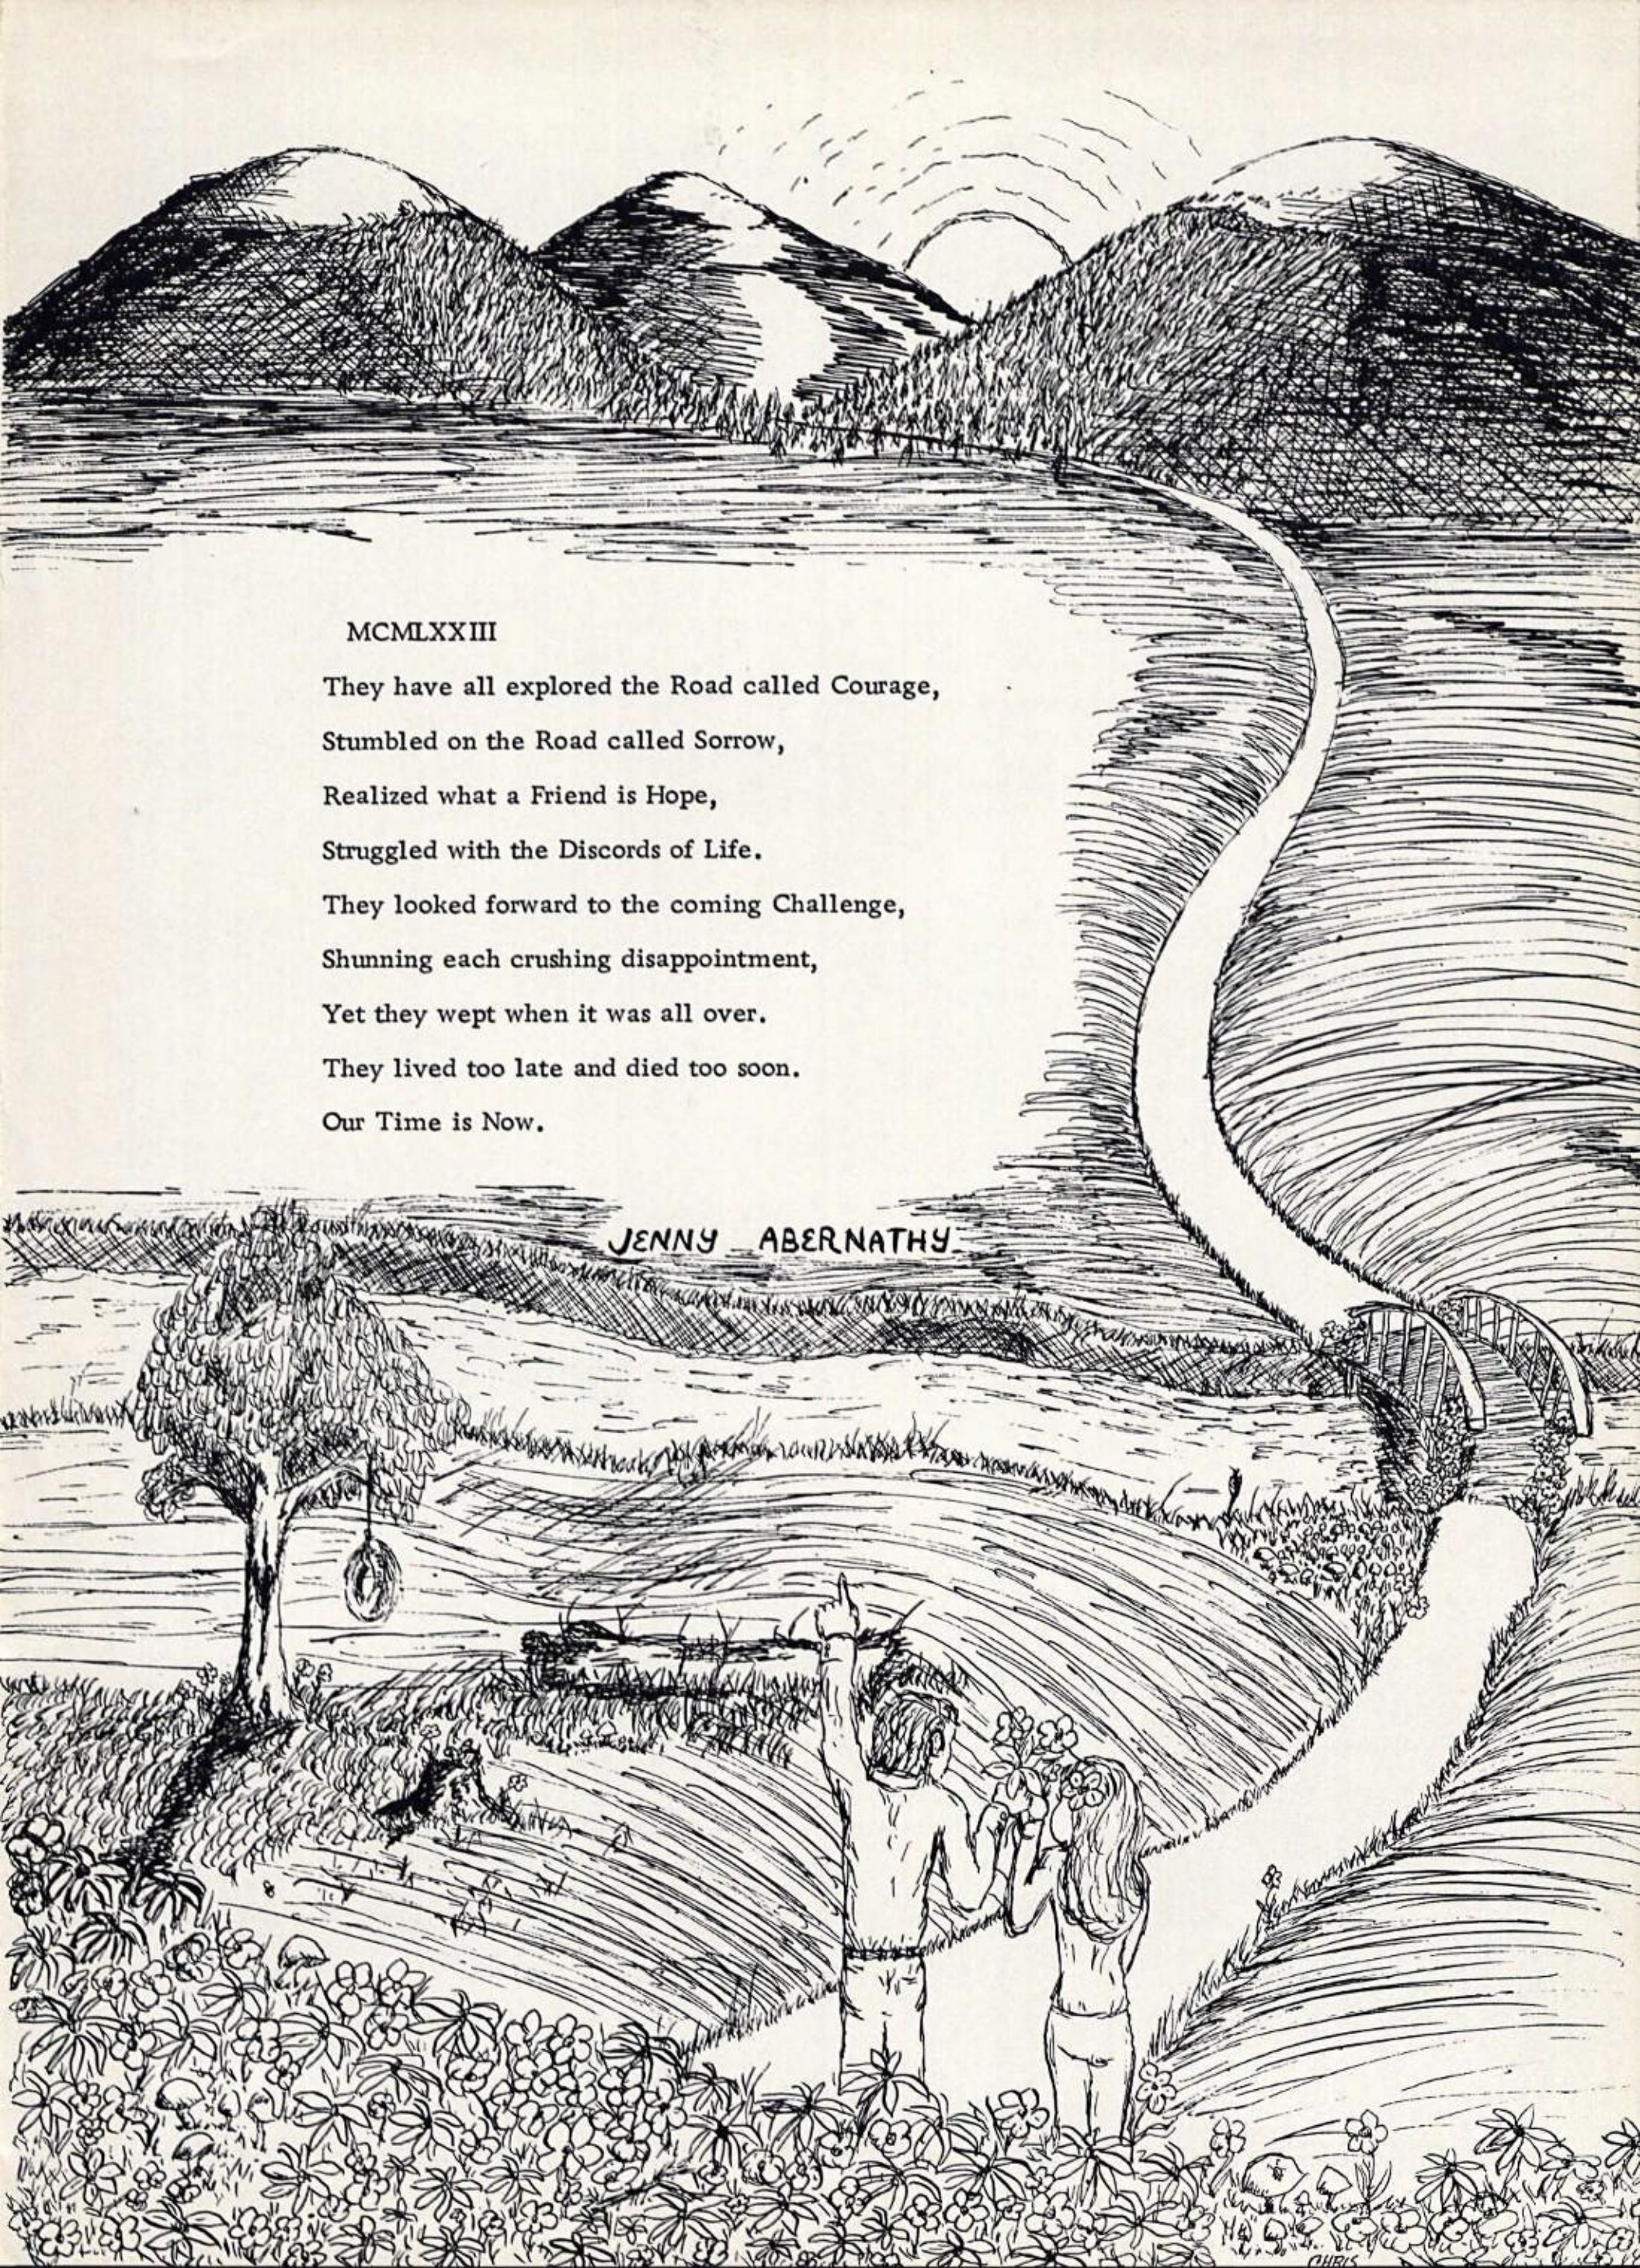
pow wow '73

ELLEN GROSS

time is now





MCMLXXIII

They have all explored the Road called Courage,

Stumbled on the Road called Sorrow,

Realized what a Friend is Hope,

Struggled with the Discords of Life.

They looked forward to the coming Challenge,

Shunning each crushing disappointment,

Yet they wept when it was all over.

They lived too late and died too soon.

Our Time is Now.

LETTER TO THE SENIORS

Dear Seniors,

There is something very special about this particular class of graduates. You are the first class to complete four years at Wentzville High School under my supervision. And although the road has not always been easy for either of us, you are to be commended for the hard work and fine attitude you have maintained in meeting many difficult challenges as a group. Indeed, -I am very proud of you!

It is my hope that the success you have known during your high school years will be indicative of the perseverance and maturity with which each of you can face the future. The skills and knowledge you have acquired will enable you to choose the life you desire, if you strive to use those tools effectively and to the best of your ability.

It has been my pleasure to have been associated with the class of 1973 over these four years. I shall continue to follow your progress with special interest as I wish you good luck and happiness in life.

Sincerely yours,

Louis F. Newbold

The Wentzville High School Wrestling Team, for the second year, won the District Wrestling Tournament. Nine wrestlers contributed to the scoring. Mark Frazer at 132, Paul Hogan at 138, and Dale Davidson at 155 were third place winners. Pat Fitzgerald at 112, John Martell at 185 and Heavyweight Dennis Giesmann won second place. Ted Sitze at 105, Troy Jones at 126, and Ed Jones at 145 returned to Wentzville as District Champions.

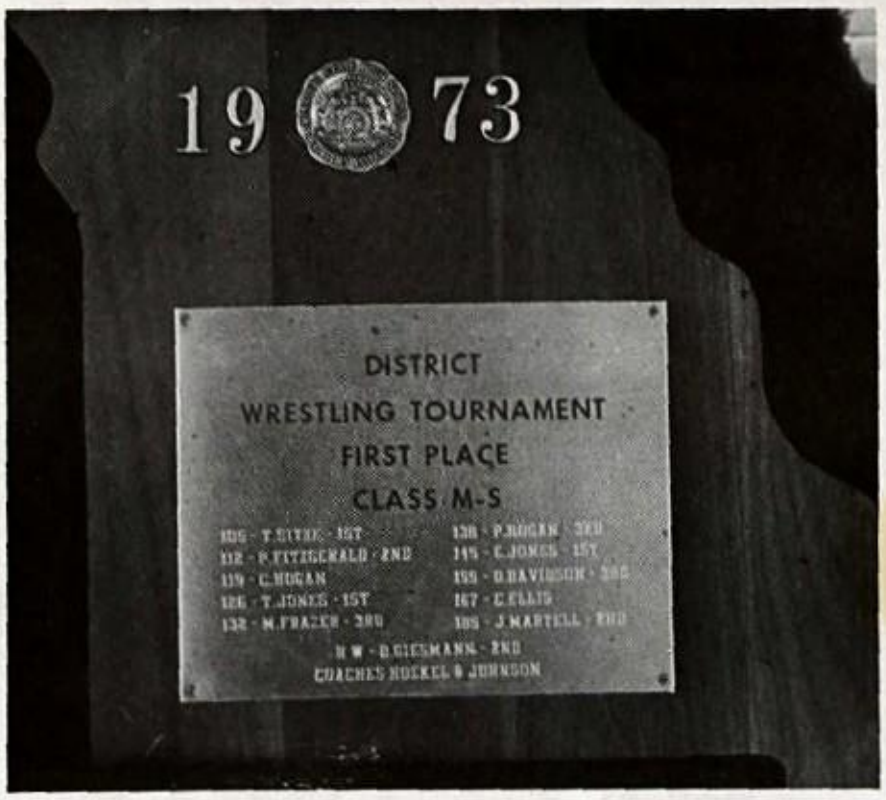
The Indians continued post-season activity by placing third in the Regional Wrestling Tournament. Six wrestlers were active in this Tournament. Third place winners were Pat Fitzgerald, Troy Jones, and Ed Jones. Taking second place were Ted Sitze and John Martell. Class weight champion was Dale Davidson. The next activity for Sitze, Martell and Davidson was the state competition. There, Davidson and Martell received fourth, while Sitze was awarded second. As a team, Wentzville placed tenth in the State Tournament.

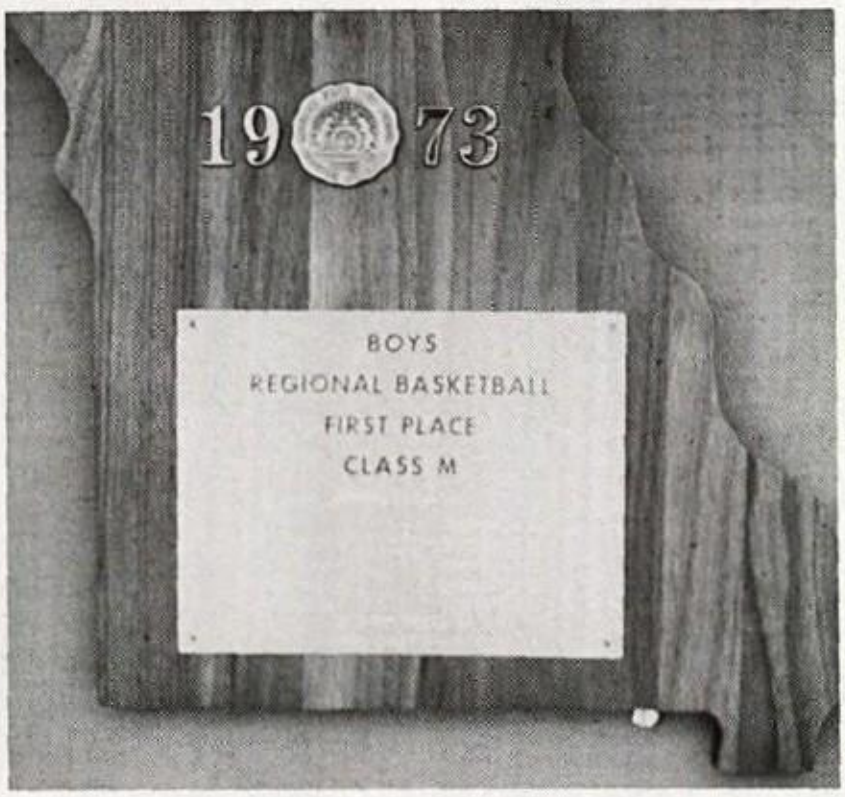
To the Athletes and Students of W.H.S.;

In the past five years I have seen Wentzville double in size. The athletic program has also grown in the same way, new programs have been added to serve the students and their needs. Many outstanding athletes and students have passed through W.H.S. and many more will carry the blue and gold in the future.

It is my hope and wishes that the athletes and students of the future will be proud of their school, their community, their teachers, and their coaches and carry on in a manner that they will remember the rest of their lives. Best of luck to the Indians.

Jim Cheves
Athletic Director and Football Coach
1968-1973





At the start of the 1972-73 basketball season, the Indians were picked to finish third or fourth in the Gateway Athletic Conference. This team responded by winning its first six games, which was good for a first place tie in the conference.

The roundballers continued to surprise people in tournament action by placing 4th in their own tournament and 2nd in both the Duchesne and Fort Zumwalt invitationals. The biggest surprise was yet to come. Competing among many St. Louis County Schools, Wentzville won the state regional Tournament at Troy. This was the first time ever that a Wentzville basketball team had accomplished this. The Indians finally bowed to Hillsboro in the first round of the State Tournament, but a 21-9 record was nothing to be ashamed of. For the members of the basketball team our congratulations and compliments on a job well done.

1973 POW WOW STAFF

Jenny Abernathy, Pam Thompson, Editor, Denise Parker, Co-Editor, Susan Peine Webb. Advisor, Mrs. Virginia Slater.

To All Teachers and Students;

We of the Pow Wow Staff would like to thank all of you who have made it possible for us to print a book such as this.

We would especially like to thank Bill Hill, Mike Dwyer, Rex Qualls, Doug Jacobs, Bob Brand and Mr. Strain for their patience while the year progressed and so did our yelling and complaining.

Also to the teachers that allowed us to miss class in order to work to meet a deadline.

We are deeply grateful to Mrs. Virginia Slater, who put up with us, kept our temper down, and helped us to make the book what it is.

Also to the students that participated in "Camera Day", and allowed us to use their pictures.
